

# MFS40AETS Tohatsu 40HP Outboard

**Manufacturer:** Tohatsu  
**Product SKU:** MFS40AETS

**Price:** ~~\$6,800.00~~ \$6,185.00

## Short Description

### TOHATSU MFS40AETS

Introducing the lightest weight in its class, EFI 40hp four stroke. Outfitted with a sleek four stroke design and starting at just 209 pounds, you will not find a lighter weight motor in its class.

This outboard is equipped with proven technology, including electronic fuel injection (EFI) and digital CD ignition, which provides quick throttle response, excellent fuel economy, and very smooth rides on the water. The MFS40 also has a high output 21 amp alternator for superior battery charging. The adjustable steering friction and trim tab reduces your amount of steering effort, making for an easier and more enjoyable boating experience. Convenience is also covered with the 40hp four stroke's built-in freshwater flushing system, making routine flushing quick and easy.

The 40hp EFI four stroke not only offers a more powerful ride while using less fuel, but is among the lightest on the water in its class. With proven reliability and performance, the MFS40 is every boater's versatile choice for work, play or even once-in-a-lifetime memory making!
