| DF40A/50A/60A SUPPLEMENTARY SERVICE MANUAL (2013-1) | 99501-88L20-01E |

*Other information considered as generally known is not included.*

*Read the GENERAL INFORMATION section to familiarize yourself with the outboard motor and its maintenance.*

*Use this section as well as other sections to use as a guide for proper inspection and service.*

*This manual will help you to know the outboard motor better so that you can assure your customers of fast and reliable service.*

*\* This manual has been prepared using the latest information available at the time of publication. Differences may exist between the content of this manual and the actual outboard motor.*

*\* Illustrations in this manual are used to show the basic principles of operation and work procedures and may not represent the actual outboard motor in exact detail.*

*\* This manual is intended for use by technicians who already possess the basic knowledge and skills to service SUZUKI Outboard motors. Persons without such knowledge and skills should not attempt to service Suzuki Outboard engines by relying on this manual only and should contact an authorized SUZUKI Outboard motor dealer.*
